

# **“The Origin of Life, It’s Just Chemistry”**

**Georgia Local Section of the American Chemical Society**

**Science Café**

**Ask a Scientist — The Origin of Life**

**Tuesday, October 23, 2007 6:30 pm**

**Starbucks @ Barnes and Noble**

**Georgia Tech, 48 5th St NW, Atlanta**

***How did the atoms and molecules that covered the  
earth in ancient times combine to form life?***

Discussion hosted by:

**David Lynn, *Chemistry and Biology, Emory University***

**Nick Hud, *Chemistry and Biochemistry, Georgia Tech***

**This event is sponsored by the American Chemical Society and  
Sigma Xi, The Scientific Research Society**
