

# amsa

American Medical Student Association

*Spring 2017*

**Tuesdays: 12:30-1:30 PM in 124 Petit Science Center**

Atlanta Medical Center  
A Culture Of Caring™

**Steven Kane, M.D., Director, Orthopedic Resident Program, Atlanta Medical**

**Feb. 7th**

One of Georgia State's favorite doctors returns to let you know what doctors are really looking for in medical school and practice!

KAPLAN TEST PREP

**Brian Allen, Kaplan Representative, Medical School Admissions Workshop**

**Feb. 21st**

Pre-register for a breakdown of the MCAT, a detailed view of the admission factors, how to get shadowing opportunities, and more!

Georgia State University CHEMISTRY

**Victoria Mariani, PhD., Senior Lecturer, GSU Chemistry**

**Mar. 7th**

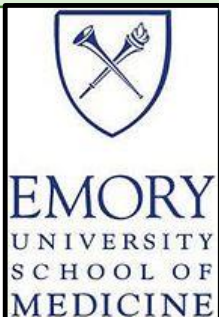

Dr. Mariani discusses how pre-med students can stand out during admissions process with a strong personal statement and a background in chemistry!

**MAPS/MSMD/TriBeta, Joint GSU Medical Group Meeting**

**Mar. 21st**

GSU medical clubs host an exciting joint meeting! The benefits of joining each organization as a pre-med student and how they'll contribute to your application will be discussed.

**Christopher Lewis, M.D./PhD. Student, Emory Medical School**

**Apr. 4th**

Find out about his path to the M.D./PhD. program at Emory Medical School and learn about this highly esteemed program.

**American Medical Student Association Officer Election Day**

**Apr. 18th**

A chance for all active members to get elected on the AMSA board! Becoming an AMSA officer is a nationally recognized position and provides further preparation for medical school!
