CHEM 1211K Lab  
Spring Semester 2018

A copy of this syllabus is available at: chemistry.gsu.edu  
Click on undergraduate, click on course syllabi, click on current semester.

Lab Lecture: Tuesday 3:00 pm - 3:50 am, 362 PSC  
Laboratory: Tuesday 3:50 pm - 6:00 pm, 355 PSC

Instructor: Dr. David Connors  
210 Courtland North  
dconnors@gsu.edu

Office Hours TBA

Required Materials:  
Bound lab notebook  
Safety Glasses (may be purchased the first laboratory period)

Text: GSU Lab manual (to be handed out at first lab lecture).  
A course outline, schedule of activities, grading, etc., is included in the lab manual.

Comments on Lab:

Safety glasses required at all time.  
Lab appropriate attire is mandatory (No shorts, sandals or open-toed shoes)  
Individualized project-type lab.  
Notebooks should be kept up to date; bound notebook required.  
Notebooks must be signed by TA’s or lab instructor at the conclusion of each lab session.  
Quizzes and final exam are closed-book.  
Cleaning up is part of the lab session. Students should stop working and begin cleaning up their work area no later than 15 minutes before the conclusion of the lab session.  
Students must exit the lab by 6:00 pm  
Students must turn in a report on density and have the instructor record their data for recrystallization, melting point, molarity of NaOH and HCl, and Equivalent Weight of unknown after the conclusion of each of these experiments.

Graded final exams, notebooks and final reports can be viewed at the instructor’s office but will not be returned to the students. 

No grades will be given via e-mail or by phone.

CHEMISTRY 1211 Lab
Spring Semester 2018

I have read the entire syllabus and understood the grading system and all the additional information provided in it, including the following:

1. No make-up quizzes will be given. If a student misses a quiz or a homework it will count as a zero.

2. Late and electronic copies of homeworks/reports will not be accepted.

3. Students need to show their GSU Panther I.D. card when taking quizzes and final test.

4. The instructor reserves the right to assign seating during quizzes and final test.

5. Cell-phone calculators and programmable calculators are not allowed.

6. Cell-phones need to be kept either in purses or book-bags during exams or quizzes; they should be turned off at all times. In addition, usage of all electronic devices while in the lab, is not allowed.

7. If late for class, please enter through the back door.

8. Hats and hoods that partially cover the face will not be allowed during tests/quizzes.

9. There are not make-up labs unless students have a legitimate excuse for having missed a lab session. A lab make-up session is scheduled for the 12th lab session. A written authorization signed by the instructor is required.

10. A lab apron or coat and goggles are required at all times while in the lab. Students will not be allowed in the lab wearing shorts, sandals or open-toe shoes, or tops that expose shoulders.

11. Notebooks:
A. The student must bring to lab the write-up for the experiment to be performed on each session; this must includes “bullets” of the procedure(s) to be carried out and data tables to be fill out.

B. The student must have the lab notebook signed by the TA or instructor at the conclusion of the lab. We do not accept any other options of records keeping.
