

Dear Student,

We'll be using OWL (Online Web Learning) as our online homework system this semester. You will need to have an access code and register for OWL in order to get homework credit. Here are your directions to get access. If you prefer, you can watch the registration video at:

www.cengage.com/owl/videos/gettingstarted/

BUYING ACCESS CODE

1. **First, get your OWL access code.** Codes come bundled with new textbooks purchased in the school bookstore. If you are NOT purchasing a text or are purchasing a used text, you can instead buy stand-alone codes in your school bookstore or online.

To purchase online go to www.cengage.com/owl.

Choose your course type from the red **Choose your course** area.

Choose **Buy an Access Code**.

Find your textbook, and then click the desired length of OWL access.

Complete the purchase.

Your code will be emailed to you. If you don't receive your code you can retrieve it at www.cengagebrain.com

TRIAL ACCESS: You can register for OWL without an access code and instead use a 14-day free trial if you are having financial aid issues or other purchasing problems. See Step 7 below.
