(404) 242-8515 (cell); (404) 459-0456 (home)
Email lmilakofsky@gsu.edu

Office Hr: By appointment or 11:00 – 11:45 am Tues. & Wed., 8:30-9.30am Thurs.

Text: GSU Lab manual (to be handed out at first lab lecture)

A course outline, schedule of activities, grading, etc., is included in the lab manual.

Comments on Lab: Individualized project-type lab.

A bound notebook is required, should be written in ink with numbered pages and be kept up to date.

Notebooks must be signed by TA's or lab instructor at the conclusion of each lab session

Quizzes may be announced or **unannounced** and is closed book.

Safety glasses required at all times in the laboratory. The technician will introduce lab safety and show a safety film

Cleaning up is part of the lab session. Students should stop working and begin cleaning up their work area, including their space 15 minutes before the conclusion of the lab session

Students must exit the lab by 1:00 pm

Students must turn in reports on all calculations following the conclusion of each experiment (pp 87-89 or 91-92, and 93, 95, 97 of lab manual)
