

NCR Scholarships

For Honors College students in Biology, Chemistry, Computer Science, Geosciences, Mathematics, Neuroscience and Physics and Astronomy

- Award is for \$1000 in the year after acceptance and \$500 each in the subsequent two years
- Applicants must have completed 12 but no more than 59 credit hours at GSU.
- The program is restricted to full-time undergraduate students seeking a four-year degree who have U.S. citizenship or meet one of the FAFSA eligible non-citizen conditions: <https://fafsa.ed.gov/help/fotw15a.htm>.
- If accepted as an NCR scholar you will be admitted to the Honors College.
- To prepare your application:
 - Attend at least three seminars by the NCRScholars staff on preparing for a career in science.
 - Upload:
 - Your resume (see examples).
 - Descriptions of three different possible careers (see examples).
 - A personal statement.
- The deadline for the complete application is April 21, 2017.
- Email NCRScholars@gsu.edu to begin the process
