We have biweekly joint group meetings to share our expertise for research and training. It is listed as a course (6900/4900). All meetings are scheduled on Weds at 11am or Tues 2:30pm for CDT Seminars. Each meeting will have two speakers and each will speak for approx. 25 mins with 5 min discussion. The speakers should set up their talk 15 mins ahead and the total talk time should last no longer than 50 mins to leave time for discussion. All students and postdocs are encouraged to actively participate in the discussions. Please contact Andrea (amahone3@gsu.edu), if you have any questions.
