

Survey of Chemistry (I) Laboratory- Online Instruction

CHEM1151L - Spring 2020

Instructor: Dr. Zahra Alghoul, Lab and Course Coordinator
email: zalghoul@gsu.edu

Office hours

Send questions by email through icollege. I will respond to emails on a daily basis. Please use "CHEM1151L" in the message title. If you have questions about your grades from before the online transition, please contact your lab instructor. All other questions related to the online content should be directed to me.

PreLab Lecture

Prelab lecture videos will be posted on icollege in the folder "Online Lab Material" every Monday.

Lab Manual

Adjusted procedures for the remaining 3 experiments will be posted in the "Online Lab Material" folder on icollege.

Quizzes

There will be one 30-minute online lab quiz given through icollege. The quiz will be posted on 04/14/2020 at 9:00 am. It will be due on 04/16/2020 at 11:30 pm.

Lab Reports

Online lab reports will be posted every Tuesday at 9:00am on icollege under assignments and will be due Thursday of the same week at 11:30 pm.

Lab Final Exam:

Lab Final exam (04/23/2020). It will be posted on icollege on the 23rd at 9am and will close at 11:30 pm on the same day. A study guide will be posted in the "Online Lab Material" folder on icollege.

Notes about the exam:

- The exam is a 60-minute open-book exam.
- You may use your prelab lecture notes and the lab manual while taking the exam.
- It is highly recommended that you prepare for the exam as you would for the traditional classroom exam.
- If you are unable to take the exam the same day it is given, you will need to present a valid and documented excuse.
- In case of excused absence, the score will be adjusted based on the remaining assignments.
- A score of zero will be given to missed exam and quiz with no excuse for absence.

Lab Scores

All the scores on previous assignments will be added to the online assignments. There will be no changes to the total lab score. Grades will be posted in the gradebook on icollege.

Academic Honor Code

All students are expected to respect the academic honor policy and to contribute their own effort into their academic achievements. Graded assignments should reflect every student's effort. Violation of the academic honor policy will result in an F on the course, according to University regulations.
