Office hours

Send questions by email through icollege. I will respond to emails daily.

Lecture

Lecture videos will be posted on icollege on a weekly basis. We will follow the same lecture schedule. A new set of videos will be posted every Tuesday and Thursday. Additionally, lecture notes will be posted in the same manner as previously.

Text book

General, Organic, and Biological Chemistry: Structures of Life 6th Edition, Karen Timberlake
For practice, work on the questions highlighted in red. The answers are at the end of the chapter.

Quizzes

We will continue with the quizzes in the same manner as before switching to online learning. You have two more online quizzes:

Quiz # 5 (04/02/2020) will open on the 31st at 9 am and close on the 2nd at 11:30 pm.

Quiz # 6 (04/09/2020) will open on the 7th at 9 am and close on the 9th at 11:30 pm.

Exams:

Exam # 2 (04/14/2020). It will be posted on icollege on the 14th at 9am and will close at 11:30 pm on the same day. It will cover chapters 15, 17, and 19.

Final exam (05/05/2020). It will be posted on icollege on the 5th at 9am and will close at 11:30 pm on the same day. It will cover chapters 15, 17, 19, 20, 21, 22, 23, 24.

Notes about the exams:

- Each exam is a 60 minute open-book exam.
- You may use your lecture notes and the book while taking the exam.
- It is highly recommended that you prepare for the exam as you would for the traditional classroom exam.
- If you are unable to take the exam the same day it is given, you will need to present a valid and documented excuse.
- In case of excused absence, the exam will be prorated using the other exam grades.
- **A score of zero will be given to missed exams and quizzes with no excuse for absence.**

Academic Honor Code

All students are expected to respect the academic honor policy and to contribute their own effort into their academic achievements. Graded assignments should reflect every student's effort. Violation of the academic honor policy will result in an F on the course, according to University regulations.
