GSU Chemistry 3100 lab manual (**provided**)

Hard bound lab notebook (**required**)

Safety glasses or goggles (**required**)

Lab policies:

1. Safety glasses or goggles required to be worn at all times inside the lab. Remember to bring your goggles every time include the first class (check-in). No Free goggles will be provided for the first class.

2. Dress appropriately. **Students will not be allowed to enter the lab without appropriate clothing.**

No open-toed shoes, shorts, sleeveless shirts/tops

3. No food or drink allowed in the lab includes chewing gum and candy.

Failure to follow safety rules will result in expulsion from the lab with no make-up allowed.

4. Notebook: Stitched, bound notebook required

All data must be recorded in ink.

Take notes in lab notebook during pre-lab lecture

Sign by TA. **Data must NEVER be recorded in pencil or on other books/papers and later transferred to the notebook.**

5. Quiz and Exam: No makeup quizzes and exams given.

6. Cleaning up is part of the lab session. 30 minutes before the closing time of lab session. Return all checked out items to TA 15 minutes before the end of lab.

To pass the lab: Students **MUST** 1) take the written lab final exam, 2) turn in mid-tern/final lab report, and 3) Lab notebook check. All these are due on **April 22, 2016**.

Grading Scheme:

Attendance, Activity, Homework, mid-term exam, quizzes, notebook	150 pts
Final Exam	100 pts
Final Report	100 pts
Midterm Report	50 pts
Total	400 pts

Grades:

A+	>96%
A	90%
A-	87%
B+	84%
B	80%
B-	77%
C+	74%
C	70%
C-	67%

Class Preparation and attendance:

Students are expected to attend all laboratory sessions and all pre-lab lectures. Students will not be allowed to participate in the lab without attending the lecture and preparing a pre-lab procedure in the lab notebook. Every effort should be made to arrive on time, as important pre-lab advisories will be given at the start of each session. The student is individually responsible for the timely completion of all assignments, regardless of any reason of absence. Reading assignments, which will be given in lecture, should be completed prior to the following lecture and will constitute the quiz material.

Teaching Schedule:

The lab/lecture schedule listed on page 7 of the GSU laboratory manual will be adhered to as far as is possible.

Students are requested NOT to bring cellular telephones and/or pagers to lectures or exams. Persons violating this request will be asked to leave the room.

*Deviations from this syllabus may be required.
