American Medical Student Association

Spring 2018

Tuesdays: 5-6 PM in 124 Petit Science Center

Atlanta Campus GSU students are welcome! Food will be served.

Mark Beirne MD, GSU Biology Professor & Physician

Jan 30th

Join us as we kick off Spring semester! Come hear Dr. Beirne speak about changes in the medical field since he started his career.

Carmen Eilertson PhD, Premedical Advisor

Feb 13th

Dr. E discusses requirements for preparing a premedical file, a service offered by the Office of Academic Assistance, for the medical school application process and cycle.

Medical Student Panel: Traditional MD and MD/PhD

Feb 14th

In a collaboration with GSU's Collegiate Neuroscience Society, a medical student panel, will discuss and answer questions about differences between a traditional MD and a MD/PhD path.

Jim Schwendinger MSN NP, Nurse Practitioner

Feb 27th

Mr. Schwendinger shares his experience by starting out as an Army medic to becoming a nurse practitioner at Grady as well as working at the CDC.

Medical Student Panel: Progression through Medical School

March 13th

Ricky Ju, GSU and AMSA alumnus, and 3 other DO students will talk about the differences in each year of medical school: M1-M4.

Hieu Nguyen MD, Chief of Department of Medicine at DeKalb Medical Center

Apr 10th

Dr. Nguyen will discuss current events in the healthcare system and her journey from medical school to where she is today. Following her presentation, we will be introducing our new AMSA Executive Board for the next school year!

Office: Kell 514A
