

Instructions to view Chemistry student applications on Slate

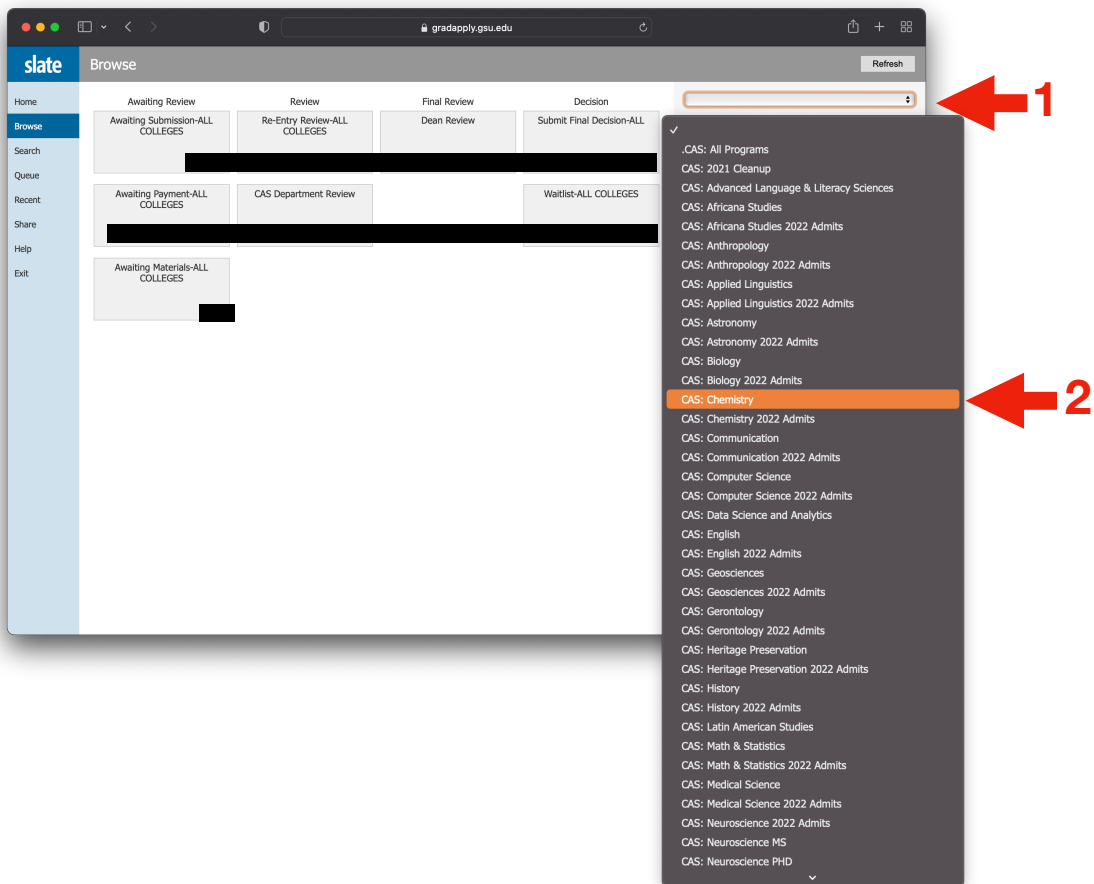

1. Access Slate Reader at this link: <https://gradapply.gsu.edu/manage/>
2. Click on “[Click here to access Slate Reader](#)”

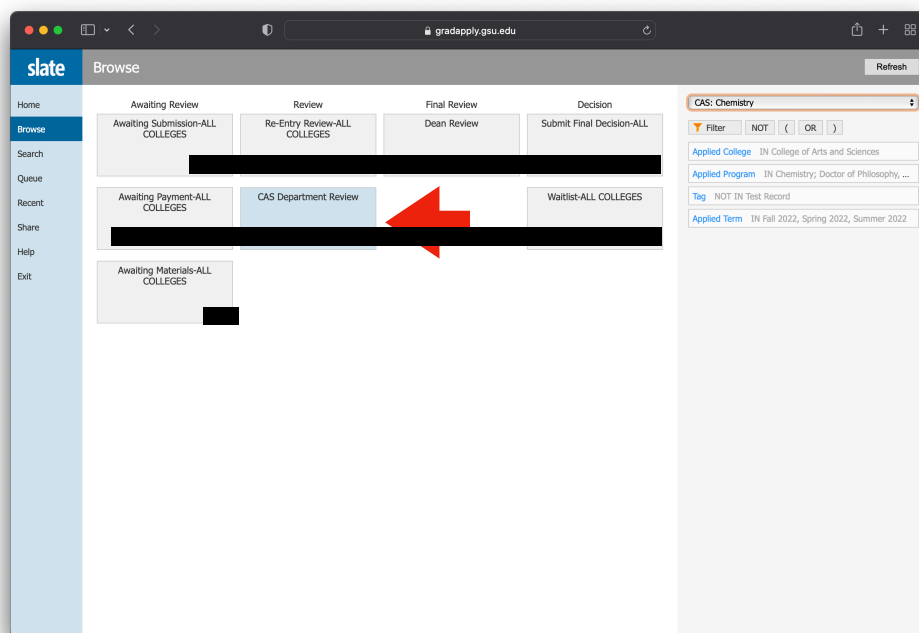

3. Click on “**Browse**” on the list on the left:

4. Click on the dropdown menu on the right, and select **CAS:Chemistry**.

5. Select "**CAS Department Review**":

6. To view an application, select the paper icon on the right side of each columnn:

Choose any one application to view the documents.

7. If you prefer to download a pdf file and read it using a PDF reader directly, click on the student name and then on “Download PDF”:

1. Click name

2. Download PDF

8. You can now navigate the application (the arrow keys is the most convenient way to do this). Once you are done, click on the “slate” icon on the top left corner to return to the menu.
